**Subject:** [External] Justification and Explanation for 2021-329-T

Goodmorning,

Here is the requested document for the Justification and Explanation of Docket # 2021-329-T. This should help with the commission's decision so that we can get this process finished as soon as possible. Please let me know if you need anything else. Thank you to all who have helped through this long process! I hope everyone enjoys the holidays and time with your family!
